DESIGN MODIFICATION

The Holden is assembled by General Motors-Holden's Limited at Manufacturing Plants in the five Mainland States, but certain Component Assembly operations are restricted to specific Plants.

The following chart sets out the location of and assembly functions carried out in each Plant.

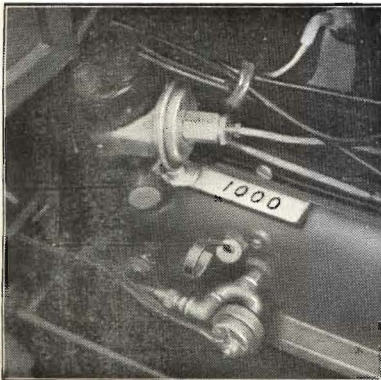

LOCATION	ASSEMBLY FUNCTION PERFORMED	SYMBOL USED TO IDENTIFY PLANT OF MANUFACTURE
South Australia	Body Assembly	*
	Vehicle Assembly	Vehicle Serial Number incorporates Letter "A"
Queensland	Vehicle Assembly	Vehicle Serial Number incorporates Letter "B"
	Engine Assembly	**
Victoria	Vehicle Assembly	Vehicle Serial Number incorporates Letter "M"
	Vehicle Assembly	Vehicle Serial Number incorporates Letter "P"
New South Wales	Body Assembly	Body Number incorporates Letter "S"
	Vehicle Assembly	Vehicle Serial Number incorporates Letter "S"

* Bodies are stamped in numerical sequence with no letter symbol.

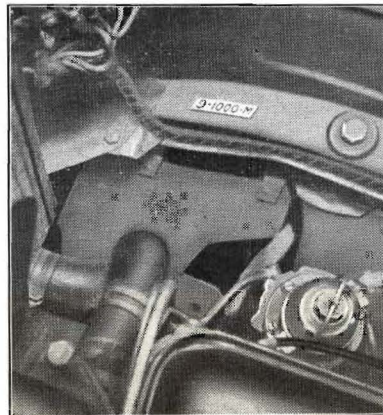

** Engines are stamped in numerical sequence with no letter symbol.

Design Modifications affecting interchangeability of Parts have, throughout this Catalogue, been identified by quoting the appropriate Serial Number, Body Number or Engine Number of the Vehicles affected.

Warranty

REPLACEMENT PARTS & ACCESSORIES

Should any defect in material or workmanship develop within the period of this Warranty, in any Part or Accessory purchased from National Automotive Service Company, such Part or Accessory will be repaired or replaced without cost through the source from which the Part or Accessory was purchased.

This Warranty is valid for ninety days from the date of fitment of the Part or Accessory to the vehicle or for the first 4,000 miles after installation of such part or accessory, whichever termination is first reached.

This Warranty covers only the repair of replacement of the Part or Accessory concerned, and does not cover any labour charges incurred in the removal and replacement of the said Part or Accessory.

IMPORTANT: The Warranty which accompanies General Motors-Holden's Cars and Trucks becomes null and void when parts not made or sold by National Automotive Service Company are used for replacement of original equipment.
